

## St. Paul School Letter – May 2024

Happy May Everyone,

As the end of the school year quickly approaches, we wanted to **Thank You** all for your contributions to the school. We understand that supporting the school, from fundraisers to lunch duty takes additional effort from everyone. Due to the nature of our school, this necessary partnership is a part of living out our Mission Statement:

“Our mission is in partnership with parents in providing a Christ-centered education that will equip children to faithfully serve as witnessing Christians and productive citizens.”

In addition, we are truly grateful that you have chosen to entrust us with the education of your children. To school leadership, there is no higher priority than a top tier education, in Christ, as well as academics.

As part of an effort to continuously improve our school, we have partnered with, Mrs. Joyce Stalp. During the last couple weeks of school, your child may let you know that there was a “new lady” in their classroom, you may also see her around the school building. She plans to observe classrooms, meet with various stakeholders (including parents) and participate in some activities – Field Day and the End of School Year Picnic.

If you are asked, or would like to volunteer, to participate in a meeting we do ask that you try to be available. The purpose of these meetings will be to discuss the strengths and the successes at St. Paul Lutheran School, as well as areas in need of improvement.

It is our hope that information from this initiative will position us to provide even better experiences and education for all at St. Paul – Go Eagles!

God’s Blessings,

*Susan Quick*

Susan Quick  
Principal

*Josh Reimers*

Josh Reimers  
School Board President

P.S. We would also like to congratulate the St. Paul alumni on all of the scholastic honors they received at the Honors Banquet held May 1st. We pray that their foundation helps them to achieve their dreams.
