Before

Lambrecht Glass in Omaha restored the Trinitarian Windows in the Narthex during the renovation.

After

Inside (above) — Outside (below)

KEEP TELLING THE STORY

The stained glass windows have been telling God's story of grace through St. Paul and Jesus' people since the current sanctuary was built in 1956. They are in need of re-leading and refurbishment, in order to aid us in telling the story for many more years to come. Please help as you are able, and as God guides you, over and above your regular tithes & offerings.

HELP RESTORE ST. PAUL'S STAINED GLASS & ITS STORY

Proclaim the Gospel on the inside and outside to all who pass by!

In addition to the Sanctuary's stained glass windows, the stained glass window of the cross on the south side, the bell tower's glass panels, and the stained glass windows in the offices will need restorative attention as well. These will involve additional quotes.

SPONSOR A PANEL, A PANE, OR A PORTION OF A PANE

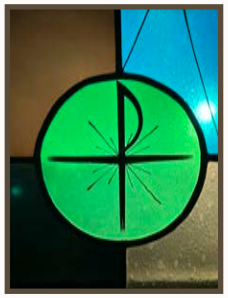
With 8 Panels to choose from, you (your family, or a group of people) can sponsor: an entire panel of three panes; a pane (⅓ of a panel); or any portion of a pane. Lambrecht Glass (who restored the Narthex windows) had given us a quote of $109,000 to restore these 8 panels and protect them with exterior tempered glass. The quote may go up as time progresses.

A THREE-PANE PANEL: $13,625

You can sponsor a three-pane panel to tell a section of the story of St. Paul on the west side of the sanctuary, or a three-pane panel on the east side of the sanctuary depicting our life before saving faith, or life in Christ Jesus after being saved by grace.

A PANE: $4,542

You can sponsor one of the 24 panes (⅓ of a panel)

A PORTION OF A PANE: $ANY AMOUNT


If you are unable to sponsor a panel or a pane, you can donate towards any portion of a pane. Each pane has, on average, about 25 - 30 pieces of glass of various shapes, sizes, and images joined together.
