Page 4 The following Section and Verbiage was added to "Physical Activity as Rewards or Punishment":

Physical Activity as Rewards or Punishment

Used as a Reward
Teachers may use non-food alternatives as rewards. They are recommended to us physical activity as a reward when feasible such as an extra recess may be provided when time allows.

Used as Punishment or Withheld as Punishment
SPLS believes that recess and other opportunities for physical activity are an essential part of the school day.

Teachers are discouraged from assigning physical activity as student punishment.

Teachers are encouraged to find alternatives to withholding recess or other physical activities as punishment.

Page 6 Date June 15th will be added when the board updated, revised & approved the minimal revisions.
