St. Paul Lutheran School Student Council

St. Paul Lutheran School Student Council is for students in grades 1st-8th. Each classroom will have two student council members as representatives. Student Council members will meet 1 time per month with the staff advisor(s) of the group. We will NOT have a meeting in December or May. If we don't have at least 1 student per classroom, there will be NO Student Council.

Any 1st – 8th grade student interested in Student Council will be required to fill out an application, get two teacher recommendation forms completed and submitted by the given deadline. Their application will then be reviewed by the selection committee.

When elected, Student Council members will serve as a representative for their classroom; give input on school and community projects, and work with various groups. They may be asked to occasionally report to their classes, teachers, sponsors, etc.

Members in grades 5-8 will have the opportunity to run for the offices of President, Vice-President, and Secretary.

Student Council members, in collaboration with our teachers and staff, will be targeting many different manners and/or essentials that we feel are important to focus on as a Christian in today's world. Our hope is that this will help our students remember these "rules" and raise the standards on expected behavior in and out of the classroom, just as Jesus would have us do!

If a 1st-8th grade student is interested in running for Student Council they should stop in to the school office to get an application.
